This year marks 15 years of the Barrathon – which isn't bad for a one off millennium event with the sole purpose of raising money for MacMillan Cancer Support! In that time, we have raised in excess of £70,000 for charity, (with far more being generated through sponsorship). This year, our original motivation was brought home to us very strongly, with the loss of one of our founding members to cancer. Some of our most stalwart supporters – committee members and regular participants – have or are battling the disease. To that end, we remain committed to raising what funds we can for our main charity of choice.

We are fortunate to enjoy the support of the whole community in organising and running this event – our thanks to all who help with catering, marshalling, timekeeping, registration, results, etc. The success of the Barrathon depends upon this teamwork and we are so appreciative of all who give of their time to ensure the day runs smoothly. Finally, thank you to all participants – you make the race what it is. Please keep on coming back.
